Shipmates,

Every transition represents more than a change on a map. It represents new opportunities, new relationships, and new chapters in the story of a community.

This month marks an exciting milestone for HomePort Hampton Roads as we welcome X2, O22, U112, R61, and R63 into our Naval Station Norfolk portfolio. These buildings have supported generations of Sailors throughout their careers, and we are honored to continue that legacy while providing the service, care, and support our residents deserve.

While the buildings may be new to our team, our mission remains unchanged: to provide safe, quality housing, exceptional service, and a community where Sailors can focus on the mission knowing they have a place to call home.

As we move forward, we look forward to meeting new residents, building new relationships, and continuing our commitment to serving those who serve our nation.

Community News

Welcoming X2, O22, U112, R61, and R63

October marks the official addition of X2, O22, U112, R61, and R63 to the HomePort Hampton Roads family. Each of these buildings has played an important role in supporting Navy readiness by providing housing and community for Sailors assigned throughout Hampton Roads. While every building has its own history, they now become part of a larger Homeport Hampton Roads community focused on delivering exceptional service, responsive maintenance, and a superior resident experience.

Community Prepardness

Preparing for Cooler Weather

- Report heating or HVAC concerns before colder temperatures arrive.
- Ensure windows and doors are properly closing and latching.
- Report exterior lighting outages through RentCafe.
- Keep vents clear of furniture and personal belongings.

Community Updates

Investing in Sailor Quality of Life

- HomePort Hampton Roads continues to invest in projects designed to enhance resident lounges, gathering spaces, recreational areas, furnishings, and facility infrastructure.

A New Look Online

We've recently updated the HomePort Hampton Roads website to make it easier for residents to find the information they need, when they need it. Look for Legacy of Norfolk.

The updated site features improved navigation, quicker access to resident resources, streamlined service request information, and enhanced community information for current and prospective residents. Whether you're looking for community updates, contact information, or resident services, the new website is designed to provide a more user-friendly experience.

We encourage residents to take a few minutes to explore the updated site and familiarize themselves with the available resources. As we continue to grow and welcome residents from X2, O22, U112, R61, and R63, maintaining clear communication and easy access to information remains a priority.

Looking Ahead at Naval Station Norfolk!

New buildings. New residents.
New opportunities.

As we welcome our newest buildings at Naval Station Norfolk, we remain committed to the mission that guides everything we do: providing exceptional service, building stronger communities, and serving those who serve.

Thank you for your service, your trust, and the opportunity to be part of your journey.

Doug Newman –
Community Director – Legacy of Norfolk

Resident Feedback

Stayton Hall (SP29) - "Thank you so much for such a quick response as always!!!"

Miller Hall (U16) - "The nice gentleman came at 0700 on a Sunday morning to fix an issue; he was very nice and helpful."

Ormsbee Hall (U20) - "Fast and efficient wasn't expecting a fridge replacement to come so fast."

To our maintenance team, thank you for demonstrating every day that great service matters.
